

THE DEADLY TUNNELS OF ZARNON

by Michael Beaton
Big K - July 1984

You, human, are about
to go to a place where
few have gone before.

and of the few
who have gone, none
have returned..

The objective of the
game is to steer your
space-craft through
the seven tunnels
towards the centre of
planet Zarnon..

CONTROLS

'Q': Move left
'P': Move right

'caps-shift' with
these keys makes
you move faster in
the deeper levels.
